

Notable stands at Decorex Joburg

Mercedes Benz Man Caves and more

Decorex Joburg, South Africa's largest décor and design exhibition is now in its nineteenth year. After much success at both Decorex Durban and Decorex Cape Town, the Man Cave concept arrived at Decorex Joburg.

Four local celebrities teamed up with prominent designers to realise the ultimate man space of each celebrity and generate donations for a charity of their choice to which Decorex SA pledged to donate an additional R10 000.

Man Cave designed by Ockert Snyman of Jacket Interiors for actor and presenter Tumisho Masha

Man Cave designed by Adam Levin of Imagine Nation for All Access presenter Jason Greer
